OUTINGS PROGRAMME OCTOBER 2023 – MARCH 2024

All recommended donations are for **transport only** unless otherwise indicated and are based on local city pick-ups. Those passengers living in outlying villages may be subject to a modest surcharge depending upon the routing of the outing. Some of the trips will include a lot of walking around the shops/gardens and you will be able to make your own arrangements for lunch. We would request that you only book for these trips if you are actively mobile or have someone to go with you to assist you. If you are in any doubt please talk to Sarah in the office before completing the booking form. **Please retain this copy for your information.**
